- SOW Effective Date.** This SOW shall be effective as of the date mentioned above (“**SOW Effective Date**”). Unless otherwise terminated earlier in accordance with the terms of the Agreement, or extended by the Parties hereto, the Services and Deliverables shall end on the completion of the Services and Deliverables by Hitech, and acceptance of the Services and Deliverables by Client.
- Governing Provisions.** The terms of the MSA shall apply to this SOW except to the extent that the provisions thereof conflict with the terms of this SOW in which event the terms of this SOW shall supersede any conflicting provisions in the Agreement.

3. Services

3.1. Description. Hitech shall provide the resources to accomplish tasks and deliverables to Client as indicated below. The fee rates may vary depending on the qualifications of the resource rendering the services as well as the type of billing model, and level of difficulty and complexity of the required services.

- Hitech is required to perform locate yellow pages and credit card sections as per the approved sample.

3.2. Project Type. The services to be performed and Deliverables to be rendered shall be based on one or more of the following:

Hourly Fee

3.3. Client Inputs. As needed for each project, Client shall provide the needed inputs either on its own or as may be requested by Hitech.

- Source images and excel template.
- Guidelines to be followed.

3.4. Outputs and specific deliverables. Hitech shall provide the needed outputs either on its own or as may be requested by Client.

- Excel sheet with the data as per the sample.

3.5. Start Date and Turnaround Times

- Start Date: December 1, 2022
- Turnaround time: Friday, 14th December, EOD.

3.6. Other Terms. The following terms shall apply irrespective of the type of project classified above:

- **Currency** – The following currency shall be applicable for this SOW: USD
- **Holidays** – Employees are entitled to holidays (posted on hitechdigital.com website or provided by concerned project manager on email/Skype) and vacation days.

3.7. Optional Services. On an exception basis, Client may also request from time to time that Hitech perform Services more frequently or otherwise beyond the explicit scope of this SOW ("**Optional Services**" or "**Changed Services**"), or to provide other specific and non-included materials ("**Additional Materials**"). Hitech may quote a Fee for any such Optional Services or

Additional Materials in writing and obtain Client's approval prior to performing any such Optional Services or providing Additional Materials.

3.8. Services Location. Hitech shall render Services at its discretion from one of its worksites in India, including those of Hitech employees in where it is not possible to work in Hitech's office environment due to one or more circumstances beyond Hitech's control such as pandemics, epidemic, war, terrorism, civil disturbance, or another similar or other force majeure event, or the work location(s) of such other subcontractor(s) (collectively "Hitech") shall be available for Hitech to perform the Services, subject to Hitech's compliance with the terms of the Agreement and all applicable Client's policies.

4. Fees. All services pursuant to this agreement shall be performed by Hitech in accordance with the type of work and/or the fees mentioned below:

4.1. Hourly Fee – The following hourly rate shall apply for all services performed hereunder:

Task	Description	Unit	Volume	Rate	Cost
1	As per mentioned above #3.1	Per hour	140	USD 5	USD 700

(a) Overtime rates shall be charged for all work performed on an hourly basis. Overtime rates shall be 1.5x the fee rate mentioned above. Overtime rates shall become applicable in the following situations:

(i) Above the regular eight (8) hours on a business day but not exceeding two (2) overtime hours/day.

(ii) Work performed on any weekend day or on a holiday but not exceeding eight (8) hours/day.

(b) Hitech will prepare and submit to Client at the end of each calendar month for services rendered in the prior month. Such invoice shall specify the number of hours and the corresponding fee rates applicable to that resource.

(c) Client shall make an advance payment of USD 200 before any services can be performed pursuant to the hourly-fee model. Such advance payment shall be applied towards the last invoice from Hitech.

(d) Hitech will be billing for actual work done for the project delivered to client. Cost is subjected to a minimum monthly billing of USD 50. (I.e. For any month if the monthly billing is between USD 1 to USD 49 Hitech will be charging USD 50. If no work is done in any given month Hitech won't be billing for that month).

4.2. Expenses. Subject to the Agreement, Hitech shall incur no expenses under this SOW unless first approved in writing by Client.

5. Invoices. The following terms shall be applicable for all invoices by Hitech, and the process as described below shall be followed:

- (a) Hitech shall email Client an invoice for one or more projects describing in detail the services rendered for each project (if more than one project) in the prior calendar month.
- (b) Where appropriate Hitech will provide Client with a detailed timesheet, project milestone completion report or unit deliverables report for Client's approval prior to raising invoices.
- (c) Hitech shall invoice Client for services within the first seven (7) days (or as early thereafter as possible) from the end of a calendar month in which services were rendered.
- (d) Unless Client objects to the invoice in whole or in part, within five (5) days of receipt, the invoice shall be deemed to be accepted by Client. All accepted invoices (in whole or in part) shall be paid by Client as provided herein.
- (e) If an invoice in whole or in part is not acceptable to Client, then Client shall notify Hitech in writing within five (5) days of receipt of such invoice describing in detail the basis for of Client's objection(s) to the invoice.
- (f) Hitech's invoices shall be net of all taxes, bank charges, funds remittance fees, etc. Client alone shall bear such tax, bank charges, funds remittance fees, etc.
- (g) Client shall settle all outstanding invoices in full within **seven (7)** days of receipt.
- (h) Client shall remit all payments to Hitech through the bank account mentioned below. In the event of any doubt, Client may enquire with the Hitech accounts at either ar@hitechdigital.com or by telephone at 91-79-61 34 39 57. Hitech shall notify Client of any changes to the details of its bank account or Hitech's contact details, as and when such changes occur.

6. Performance

- 6.1. **Reports.** In addition to the details provided by Hitech in its invoices, Hitech shall provide written reports to Client, as and when requested by Client but not more than twice monthly, documenting Hitech's performance of Services. Acceptable report formats include PDF, Microsoft Word, PowerPoint, and Excel, or such other formats as mutually agreed by the parties.
- 6.2. **Service Improvement.** Hitech shall if it so observes, proactively recommend process improvements to Client to drive increased productivity, customer satisfaction and overall program efficiency as it relates to the SOW. Improvements and cost savings measures shall be mutually agreed upon by Hitech and Client in the form of a change order as set forth in the Agreement or in this SOW. Client reserves the right to recommend process improvements and/or cost savings targets to Hitech for implementation.
- 6.3. **Client Resources.** All property and assets, whether tangible or intangible, provided by Client to Hitech shall remain Client's property.

7. **Timeline.** The Services shall be performed, and Deliverables created commencing on the SOW Effective Date and this SOW shall continue to be valid until terminated by either Party as provided in the Agreement.
8. **Environmental Responsibility.** Hitech shall, at no additional cost to Client, employ all commercially reasonable and legal means to utilize environmentally responsible methods, tools, materials, supplies and equipment to perform Services.
9. **Law and Jurisdiction.** The law of the United States shall govern both the Agreement and the SOW without reference to any conflict of law provisions. English shall be the language controlling this SOW and the Agreement even if any translation has been made available by Hitech. Any controversy or claim arising out of or relating to this SOW and/or the MSA, or the breach thereof, shall be determined by binding arbitration under the rules and auspices of the Judicial Arbitration and Mediation Services ("JAMS") in accordance with its International Arbitration Rules. A single arbitrator shall be appointed, and such arbitrator's written award shall be final and binding. The arbitrator may at arbitrator's discretion award to the prevailing party, legal and other fees, costs, and other relief.
10. **Special Instructions.** Hitech shall meet all relevant health and safety laws, ordinances, rules, and regulations; national, regional and local environmental controls, and permit requirements and standards while working on the Client worksite.

IN WITNESS WHEREOF, Hitech and Client having read and agreed to the attached Master Service Agreement (which can also be found on LINK), through their authorized representatives, have executed this SOW as of the date mentioned below.
